## SOVIET CIVIL DEFENSE VIDEO TAPES

The *Soviet Civil Defense* video tape series is finally completed. The series is comprised of seven tapes, each about ninety minutes long. We originally expected to have a four tape series, but there was too much unique material.

Civil defense in the Soviet Union is a **\$6 billion** per year defense effort with **150,000 paid professionals** and **20 million volunteers** working to prepare Soviet citizens for civil defense procedures including the use of their **\$200 billion civil defense shelter system**. Little known in the West, Soviet civil defense constitutes an entire branch of the Soviet military and an important part of Soviet education with mandatory civil defense courses beginning in the 5th grade.

This definitive seven video tape series features extensive information from the leading American authority on Soviet civil defense, Dr. Leon Goure; 15 actual Soviet civil defense training filmstrips for adult training; and 2 filmstrips prepared for use in Soviet 5th grade classes.
